## what is einnim?

Einnim is a home + body lifestyle brand, featuring a candle bar, locally crafted apothecary products, and more. Einnim launched in May of 2020 as a means to help our fellow immunocompromised friends find a way to cope with the uncontrollables of society.

## the pouring experience

All candles are poured into a 9 oz clear glass vessel set with a cotton wick. Upon arrival, you will be provided with a scent menu that lists all available scents. We understand that there are a TON of options, which is why we will provide fragrance blotter strips to help you narrow down your top picks (up to 3 scents).

Don't worry, we will be there EVERY step of the way to ensure that you create the perfect custom blend!

Once the testing is complete, the pouring begins! You'll be provided with all of the necessary tools for your candle-making experience.

Your candle will have to set for 2-3 hours after it is poured, so relax and mingle while you wait!

# what are the details of my event?

We can accommodate up to 15 guests for workshops/pop-up.

Events can be held every day of the week during or after **store operating hours**.

Please note that we are closed on Mondays, so please let us know if you would like to host your event on a day when the store is closed.

If you would like to allow BYO, your event will **have to be held AFTER store hours. Oak Park does NOT allow merchants to advertise this in any way, shape, or form.**

All events will run for a total of two hours with the option to extend (additional fees apply).

# how much does it cost?

The hosting fee is \$150. We require this to be paid in full at booking.

Einnim will offer their candle-making portion at an exclusive price of \$29/candle (original value \$33).

**Please note that an additional \$50 is charged on the original form of payment for every additional 30 minutes starting at the top of the hour after the communicated end time.**

Attendees of the event can also enjoy 20% off their entire in-store purchase at the time of the event! Be sure to communicate this in any marketing and we will do the same.
